

New England Society of American Foresters Winter Meeting
Thursday, March 16, 2023 - Field Trips and Workshops

Field Trip and Workshop Directions, Details, and Contacts

1. Silviculture, Habitat Management, Research, Invasive Species Management, and Outreach and the **Heald Tract in Wilton, NH.**
 - Meet on site at 9:00 am. The tour will last until 12:00 pm.
 - We will meet at a large log landing on Heald Road, in Wilton, NH. You can enter either of the following addresses into your GPS: "**Heald Road, Wilton, NH**", or "**Heald Pond Trail, Wilton, NH**"
 - Please note, that the section of Kimball Hill Road between Route 101 and King Brook Road is not plowed in winter, and will not be passable.
 - Contact person: **Ali Kosiba (cell 802-881-6254)**
2. **Urban Forestry Tour** in Lowell, MA
 - Meet on site at 9:00 am. The tour will last until 12:00 pm.
 - We will meet at the Raymond Lord Memorial Swimming Pool in Lowell, MA. You can enter the address "**81 Cross Street, Lowell, MA**" into your GPS to get there.
 - Contact person: **Emma Sass (cell 413-588-8814)**
3. **Big BAF** workshop at the Sheraton Nashua
 - Meet in the Bedford Room in the Sheraton Nashua Hotel at 9:00 am. The workshop will run until 12:00 pm.
 - Contact person: **Mike Gagnon (cell 603-512-9162)**
4. Field Tour of **Low Density White Pine** Silviculture at Bear Brook State Park, Allenstown, NH
 - Meet on site at 9:30 am. The tour will last until 12:30 pm.
 - We will meet on Depot Road in Allenstown, NH. You can enter "**Depot Road, Allenstown, NH**" into your GPS, and that will bring you there. Depot Road is off Deerfield Road, near its intersection with New Rye Road.
 - Contact person: **Inge Seaboyer (cell 603-419-0209)**

Additional workshops on next page...

5. **Firewood Banks** and Harvard Forest Fisher Museum, Petersham, MA
 - Meet on site between 9:00 and 9:15 am. The first half of the tour will be held at a firewood bank in the town of Petersham, and the second half will be at the Harvard Forest Fisher Museum. The tour will end around 12:00 pm.
 - Meet at the Petersham Transfer Station.
 - Use GPS to get to the Petersham Town Hall, enter in "**3 South Main Street, Petersham, MA**"
 - From the town hall, take **West Street 0.6 miles through a small residential area to the intersection with Route 122.**
 - Turn right heading west on Route 122. Proceed 0.7 miles.
 - **As you round a left-hand bend the entrance to the town transfer station will be on your left** and a swampy pond will be on your right. Overflow parking for latecomers is at the landing adjacent to the swampy pond.
 - Contact person: **Frank Cervo (cell 860-930-5037)**

6. **Mill Tour** at HHP in Henniker, NH
 - Meet at HHP at 9:30 am. The tour will last until 12:30 pm.
 - We'll meet on site at the mill; enter "**14 Buxton Industrial Drive, Henniker, NH**" into your GPS to get there. When you pull into the mill, you can park by the mill office and the group will meet and start the tour from there.
 - Contact person: **Maggie Machinist (cell 802-473-0234)**

7. **Tree Risk Assessment** Workshop in Nashua, NH
 - **Meet in front of the Nashua Sheraton Hotel at 9:00 am.** Attendees will coordinate with tour leaders to carpool to a local park in Nashua to conduct the workshop. The workshop will run until 12:00 pm.
 - Contact person: **Wendy Scribner (cell 603-953-4705)**
