

**Forging Relations –  
The New CCC:  
Conservation, Challenges  
and Collaboration**

With continual demands and interests placed on Maine's forests, foresters are involved at many levels in working towards common goals with some unusual allies. Four cases studies are presented in the morning's program describing the situation and detailing the lessons learned. In the afternoon we will have the opportunity to practice those learned skills.

**Forging Relations  
–  
The New CCC:  
Conservation,  
Challenges and  
Collaboration**

**October 19, 2010**

**Wells Conference Center  
UMaine Campus  
Orono, Maine**

**Approved continuing education credits**

	<u>CEU</u>	
<u>Maine LPF</u>	4.5	Category 1
